Goodman Mercantile Company received almost a carload of "Hamilton-Brown" Shoes Tuesday. It is a splendid stock and now is a good time to get what you want in shoes while they have everything you can think of.

The story of the change in the management of the Oriental Hotel published last week was all a mistake. The report was generally circulated as published but the parties to the case know nothing of arrangements to that end. Mrs. Maldonado and daughters will remain in charge of the hotel. We are pleased to learn that this is the case.

Mrs. J. S. Russel and Mrs. O. H. Kerns and children left Tuesday for an extended visit with friends in Illinois. They have long planned this trip and, while there are not two people in town who would be more missed at home we hope they get all there is in it from their visit.

Those people who have taken their heating stoves down for the summer can't be as comfortable as we are with our stoves still up and a load of coal on hand for them. A little fire this damp cool weather is a real luxury.

Tommy Nalepinski, the Senior printer in this office went to Dawson Sunday to visit his parents for a couple of weeks. His place in the office is ably filled by Miss Phoebe Russel and we are not inconvenienced by the change. It is a source of satisfaction that we could call in any one or a dozen youngsters from the force of the Roy School Record and get our type set without any serious delay. The page and case of type loaned to the school last winter was a good investment for us as well as a practical benefit to the school.

Sick Headache.

Mrs. A. L. Luckie, East Rochester, N. Y., was a victim of sick headache and despondency, caused by a badly weakened and debilitated condition of her stomach, when she began taking Chamberlain's Tablets. She says "I found them pleasant to take, also mild and effective. In a few weeks' time I was restored to my former good health." For Sale by all dealers.

Penny Wane has been really very sick for the past week but is slowly improving. A month day and night in the sick room was too much for him but we hope he will soon be able to get busy farming.
